One God

The Unfinished Reformation

Have you ever wondered who God is, or what God is like? Have you tried in vain to understand the relationship between God and His son Jesus Christ? If so, you are not alone, and the answers to your quest can be found on the pages of God's Word.

For almost 500 years the Reformation has endeavored to return Christianity to the Bible. It has examined almost every belief imaginable in a search for truth. Every belief except one: the nature of God Himself.

One God: The Unfinished Reformation takes you into the heart of God's Word to answer what should have been the first question of the Reformation: Who is God? The answer may surprise you, for the Bible firmly declares that there is only one God, the Father of Jesus Christ. Getting to know this one God is the most exciting quest any man or woman can ever undertake.
